

# Dalton St Michael's C.E. Primary School

Newsletter 16

January 19<sup>th</sup> 2018

In Miss Dowling's class the children have continued their work about 'The Iron Man'.

In their Science lesson they have been extracting iron from cereal using magnets.

## Stars of the Week

Nursery – **Grace** for trying really hard in Phonics

Reception: **Samuel** for joining in whole school activities

Year one: **Noah** for trying really hard with his handwriting practise

Year two: **James** for a super adventure story in 'Big Write'

Year three: **Joel** for working so hard on his Iron Man art work and being so proud of his finished piece

Year four: **Bessie** for being such a supportive and encouraging member of her group during our Science investigation

Year five: **Maya** for working consistently hard

Year six: **Niamh** for a brilliant effort to improve her handwriting further

## Attendance

Years 1 & 2 with 97.65%

All the children have produced some art work relating to their novel which is proudly

displayed in the corridor. Please come into school to look at it if you have the opportunity.

Well done to Haydn, James, Maya and Milly who have been chosen out of 25,000 national entries to have their work published in a Young Writers book. We look forward to seeing their work in print

Thank you to the PTEA who have paid for a trip for our children (Reception to Year six) to the Lowry theatre to watch

'George's Marvellous Medicine' on Thursday 22<sup>nd</sup> February. Further information to follow.

## Next Week

On Tuesday the children will be taking part in the launch assembly about the Bishop of York Youth Trust.
