YEAR 1 AND 2 GREAT FIRE OF LONDON

You may have seen the pictures of our re-enactment of 1666's Great Fire of London on Twitter?

We would like to say a massive thank you to all the children and parents of children in Years 1 and 2 who put a lot of work and effort into making the model houses to be used for this exciting event!

And also – a special THANK YOU to Mr Cross from the Lancashire Fire and Rescue Service, who gave up his time to come and support the event making sure that everything ran smoothly and safely and also spent time in class with the children afterwards telling them about his job with the Fire and Rescue Service and talking about fire safety.

CLASS 2's Great Fire of London

On Tuesday we recreated the Great Fire of London. The fire was amazing! It was flickering and dancing. The fire was massive. It only took 10 minutes to burn. At the end of the fire there was nothing but ashes. When the wind changed the fire would catch onto another house. Everybody kept screaming. We watched all of the fire. At the end the fireman put out the fire by stamping on it.

On Tuesday we set houses on fire. I was very sad. It was an amazing fire! I looked at the fire, it was fantastic. The fire was huge and it was spreading. The fire took 10 minutes. It was orange, yellow and red. The fire was smoky. It was very windy.

What an amazing day we had on Tuesday! We got our house we made. Mr Cross came in. He set our houses on fire! I was sad when my house set fire! I was happy because my house was the bakery. I had so much fun! The fire was red, orange, golden and yellow. I screamed as loud as I could.

Year 5 & 6 Sportshall Athletics

On Tuesday, a team of Year 5 and 6 girls and boys represented the School at the Sportshall Athletics event at Roefield Leisure Centre in Clitheroe.

The teams took part in track events and field events. Track events included an obstacle course and relays, where Kitty and Nell came first in their 2 x 2 race, Lewis and Harry C came first in their 2 x 1 race and four of our girls came second in the 4 x 1 relay. The field events were vertical jump, chest push, long jump and triple jump.

After all these events, our amazing team was in second place overall and all team members were awarded silver medals.
