16th January 2018

Dear Parents/Carers,

STEM Event at Network Rail – Thursday 25th January 2018

Year 6 have been given the opportunity to attend a STEM science event at Network Rail. The first part of the day will involve a presentation by employees of Network Rail about all the different types of work they carry out and a tour of the building. After lunch the children will be involved in hands on activities organised by the company's business engineers. The whole event is aimed at showing young people the sorts of careers and apprenticeships available to them in the future.

On the day we will walk to Network Rail, aiming to arrive by 9:50am. All children will need to bring a drink and a packed lunch. The final session ends at 3pm. We will therefore return to school slightly later, at 3:40pm.

We're sure that it's going to be a really exciting trip for the children.

Your sincerely,

Mrs Kotulecki
