SPELLING BEE

Children in UKS2 are encouraged to take part in a Spelling Bee on the 31st January 2018.

A spelling bee is a competition where pupils are asked to spell a broad selection of words, usually with a varying degree of difficulty.

They will have a list words, available on our website, which should be learnt prior to this date. Pupils should select the appropriate level with the assistance of their teacher.

Thank you for you cooperation in dealing with the weather this week. Let's hope we the snow has been and gone for this year!! Our texting service is the best way to keep everyone updated and should there be any further disruption we will continue to keep you informed this way

VIP Goalball

Every Thursday afternoon the Oak Staff, pupils and friends enjoy a "VIP" afternoon made up of daily living skills and a range of physical activities and challenges to develop our agility, balance and coordination

For the first two weeks of the Spring Term 2018 we have been lucky enough to welcome an experience

coach from 'Goalball UK' to introduce us to this fantastic sport. We have loved playing goalball and hope to introduce it to more people

Parking and driving around school.

We are receiving complaints on a daily basis about parents driving and parking in the school vicinity.

Please note

- No parents should be entering the school premises in their car. If bringing your child to school by car you must park on the surrounding roads and children brought into the playground on foot.
- Cars should be parked safely and legally - more especially no-one should be stopping on the yellow zig-zags
- Greenfields car park is not for parents bringing children to school
- Please slow down and take extra care when dropping off or collecting your children

These rules are not in place to make your life difficult but to ensure that all pupils, including your own, are safe when coming to and leaving school every day.

NEW YEARS RESOLUTION

Maybe you could consider whether you need to transport your child to and from school by car. Walking could be prove to be beneficial to both you and your families health!
