## A few words from Mrs Robertson

This week we have been getting excited about Times Tables Rock Stars? If you're child hasn't already told you about it make sure you ask them over the weekend.

Times table recall speed is fundamental to later success in maths lessons. We have been looking for ways to encourage our children to do daily times tables practice and have just begun a trial of Times Tables Rock Stars. Other schools in Leeds say that pupils and teachers love Times Table Rock Stars and hopefully Hollybush children will love it too. Miss Greaves' class had fun in their introduction to Times Tables Rock Stars this week and we look forward to Times Tables Rock Stars improving children's speed recall of tables throughout school.

Start practising this weekend - we can't wait to see everyone's speed recall start to improve!

## Adverse Weather

Thank you to all our parents who managed to get their children to school on time this week especially during the bad weather we have had.

At Hollybush we are lucky to be on a main bus route and so seldom close due to adverse weather as our roads are clear. In the event of closure, a decision will be made by 7:30am. We will inform parents by text and you can receive regular updates by listening to Radio Aire.
