## Vision Multi Academy Trust - Newsletter

I am incredibly proud that our first Trust newsletter has been published and it to be shared with all parents, staff, governors and trustees. It symbolises our strong partnerships and that the future lies in our strong team working together, building our Trust's future so that all children in our Trust have the best possible learning experiences, that will ensure they have enhanced life chances.

## MAT Vision

We have been encouraging the children and the staff to review the MAT vision – Happy, Challenged, Successful and Proud – through class assemblies, peer assessment or self assessment both in the classroom and on the playground.

We want to embed the vision as part of our drive for children to self manage their own behaviours for learning. Ask your child to reflect on their behaviours for learning to see what has made them happy, challenged, successful or proud this week.
