	YR: Edith Y1: Harrison & Max Y2: Zoe & Liyah Olivia was absent		
1.	Uniform <ul style="list-style-type: none"> had prices through & they are competitive sending through some examples staff hoodies for recruitment event <p>We now have a conversion date of 1st March so are hoping the new uniform might be available from then if people want it but there will be no push for people to start using it this academic year. SLT are very conscious of costs involved to change uniforms. New signage is also due to go up round school during the half term break, which will feature the new logo.</p>		
2.	Running Track <ul style="list-style-type: none"> Max has written letter to army (see attached) which will be put on headed paper and sent to the barracks. Zoe has created a poster for the jumble sale to raise money for the race track. Max is still to write a letter to Rolls Royce asking for a donation. 		
	Max's letter & Zoe's poster will get taken to SLT on Wednesday for approval.	Mrs I to take to SLT	25.01.18
3.	Toilets <ul style="list-style-type: none"> fundraising ideas <p>We looked through the pack that has been sent through from the twinning charity and discussed which fundraising ideas we liked and thought were easiest to do at this stage. We decided on:</p> <ul style="list-style-type: none"> Spend a Penny: simply asking for donations to go in our toilet; ministers want to give people who donate a sticker; Zoe, Liyah, Max are planning to design stickers Blue for the Loo Day: children can come dressed in blue and bring a donation Pooping Chicken: people pay for a square and whichever square the chicken poops in is the winner Loo Roll Art: children convert a toilet roll tube into a collection pot, decorate it and bring in donations from families – could have prize for best pot/most money? Singer: Liyah suggested having a singer next to the toilet, encouraging people to give donations <p>These ideas are to be taken to SLT. The Children's Government is thinking to prepare these activities and do them sometime next half term.</p>
