

Following Year 6 Inspire, we have had a number of parents requesting a recommended reading list for their children. Thank you for this enthusiasm and support!

Below are some of the classic, fiction stories that we mentioned during the workshop. We cannot be certain that a text like this will be used in the SAT paper this academic year, however it does not hurt to prepare and expose the children to the language found in this particular type of text.

The most important thing is that the children are reading at home, regardless of what it is that they are reading!

If they choose to read texts such as those listed, brilliant! If not, at least they are reading ☺

It is important to maintain a balance - reading modern fiction stories, such as those by David Walliams, is equally as beneficial!
