

INTER FAITH WEEK

Year 6's personal views of the key message from the week

"That everyone is equal and that everyone can have different faiths"

"That you shouldn't judge people by their religion because if you actually think about it all religions have some similarities"

"My key learning was how important it is to understand the different faiths and to respect them"

"Not to discriminate people from other religions and to take pride in being equal"

"There are lots of different people in the world and we need to accept them all"

"Everyone is equal whoever they are and they should be treated the same"

"We should all learn about different religions and faiths and step into that person's shoes"

"It made me understand that regular, ordinary people believe in different things"

"Everyone matters and people are just as valuable as each other"

"The message for me is that prejudice is unacceptable and we learnt that everyone is equal and should be treated this way"
