Friday 9th March

Parent Forum

Monday 19th March – both sites

Maths No Problem workshops - TBC

FRI-YAY!

Class 9 and Class 15

REMEMBER YOUR 50ps EVERYONE 😊

Spotlight on English- By Miss Rehal

We are really excited to announce that we will be using Spellzoo in Years 2-6, to help our children learn key spelling patterns. Children will be given a full set of spellings for the term (in Homework books). In school, children will have their own individual booklets containing 6 activities for each week. The week will begin with teachers exploring the week's spelling pattern and end with a spelling test, which is recorded in their Spellzoo books. Year 4 had a fantastic time completing the trial last term, so we look forward to other year groups going in!

Kestrels' Field Primary School @kestrelsfld

We are proud to be a KTC core school; this means that our teachers are experts in teaching phonics and early reading and often teach other teachers from across the city how to do it! #hardworkpays #ktc #experts

Miss Bickley @MissBickleyKFP

Now some of Class 9 are off to City Hall. We are looking forward to showing everyone how good we are at reading. @kestrelsfld @AnnSmalberger

And they and their teacher were absolutely brilliant!!!! I am so honoured to work with teachers with such high expectations and aspirations for the children they teach.

Years 3 and 4 have had the most exciting start to the Spring term. We were given the opportunity to work with the City Classrooms Project to explore Roald Dahl's, George's Marvellous Medicine. During our drama workshops, we grew, we shrank, we fizzled and we twizzled! Mel and Rachel taught us how to move our bodies to represent the words in the text. Then we were lucky enough to go to watch the performance at The Curve Theatre, to see how the professionals did it! It really was an amazing experience!

Times Tables Rockstars- By Mrs Prajapati

We are excited to be a part of Times Tables Rockstars! Times Tables Rockstars is a fun and challenging programme. Each week concentrates on a different times table and has been very successful in boosting times table recall speed for many pupils all over the world!

Years 2-6 have unique log ins to this website to support their times table knowledge at both school and at home. As your child improves in their recall speed, they will go higher in their rock status. Once they manage their recall in less than 1 second, they become Rock Heros!

Keep on rocking those times tables! :)
