If you speak to the school office about your child, you will be directed to the year group leader as a first point of call. This is because the phase leader deals with children, incidents and staff in their phase on a daily basis and will be able to assist you in a meaningful way. If after this meeting you still wish to see the Headteacher or the Deputy Headteachers, this of course will be arranged.

Communicating with the class teacher

A reminder that all parents are welcome into school for the first 10 minutes of every day. Teachers are also all available at the end of the day if you need to talk.

Infants – 8.20-8.30 and Juniors – 8.40-8.50.

This is an ideal time to have a quick chat with the class teacher. Teachers will not be using the personal communication element of class dojo or twitter, but welcome you before or after school. If this is not possible, please ring the school office and ask the teacher to return your call.
