

School to Parish Newsletter

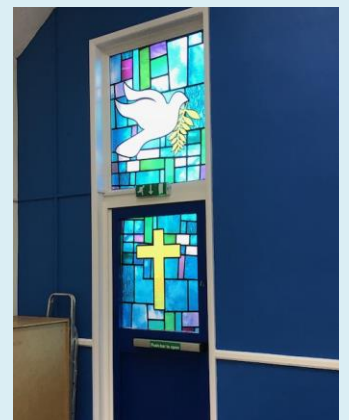

Autumn term 2017 Issue 3

Another busy half term at St Francis Xavier Catholic Primary...

Over this term we have been joined by parents to help make the Advent Wreaths then Fr Kieran kindly came into the school to bless them...

Take a look at our beautiful new stained glass windows in the hall...

Many thanks to the parishioners who joined us for coffee, biscuits and a look around the school!

We had a wonderful Mass to celebrate the Feast of St Francis Xavier...
Thank you to all those involved.

At the end of November the school opened its doors to raise money through its Advent Fayre raising a staggering £1,041...this will certainly help towards all the wonderful things that we want to purchase for the school

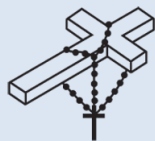

The staff, pupils and Governors
at St Francis Xavier Catholic
School wish you all a very Merry
Christmas and a Happy New
Year.

You may have seen the school in the Doncaster
Free Press in October...
