ARCHERY CLUB

The Year 3s and 4s are currently loving Archery Club! We've even managed to fly our arrows the length of the hall and still get some on the target! Watch out for Archery Year 5 and 6 - a club coming to you soon!

LUNCHTIME BOARD GAME ZONE

.... coming soon!

Happy lunchtimes are going really well. The children are earning lots of pom-poms for their planet teams for excellent behaviour. On the occasions that it's wet at lunch-time we now offer the children different zones to provide choice and a wide range of activities for them to enjoy. We have a craft zone, a movie zone, a construction zone, disco zone and a friendship hangout for example. I love a good board game and believe they have educational benefits as well as being great fun! If you have any complete board games suitable for use that you no longer use and could donate, it would help us to open a wonderful 'board game zone'. Please mark them for my attention and send them in with your child.

READING BREAKFAST CLUB

We have spaces available for Reading Breakfast Club which takes place every Tuesday and Wednesday morning in the Library from 8.30am until school starts. Please send a note addressed to Mrs Pryce or Miss Mapp if you'd like your child to join and we'll be in touch.

OVAL LEADING THE WAY

On January 8th here at Albert Village we hosted a very successful day of professional development for teachers from our local group of schools. As part of this many of our own teachers led wonderful workshops to share their great practice. In the afternoon in collaboration with our partnership with the Chartered College of Teaching we treated our teachers to an afternoon with English expert David Reedy. The ideas are already being used in the classrooms as part of our relentless drive to provide the children with the best and latest evidence based approaches to teaching and learning. Mrs Savage and I felt extremely proud of the expertise shared by our staff and I'm sure that there will be much more of this to come. Great to see Albert Village and the Oval Learning Trust leading the way!
