

PE and Sport are highly valued at Greasby Junior School and we have a long tradition of competing successfully in events both across and beyond Wirral.

Following the decision to provide funding for PE and Sport in primary schools, the funding has been used to further improve our provision. The following shows how the funding has been spent and planned spend going forwards in the following areas:

Curriculum (including extra curricular activities), Playtimes and Lunchtimes and Competitive Sports.

**2017/18 grant £14,617.**

Area	Effective use of Funding	Projected spends April 1 <sup>st</sup> 2017 – March 31 <sup>st</sup> 2018
Curriculum	Sports Specialist (£100/week).	£3,800
“	Supply cover to release teachers to work alongside Sports Specialist (£200/week).	£7,000
“	Purchase of the Edsential LA Scheme to enable staff to effectively deliver the new National Curriculum.	£300
“	Supply cover for the lead teacher of the residential trips to Barnstondale and Castle Head.	£1200
“	Subsidy for the Barnstondale and Castle Head residential trips to keep costs down.	£600
Extra Curricular	Subsidy of the new clubs Fencing, Judo and Archery, to provide access to a wider number of children.	£400
Competitive Sports	2 days’ supply cover for PE/Sport Leader to take table tennis and cricket teams to tournaments in school time.	£400
Equipment to promote physical activity	Contribution to Trim Trail on upper school playground to further promote active play at break and lunchtimes.	£3,000

Funding for refreshments and prizes to promote our monthly 'Wheelie Walkie Wednesdays' and 'BikeIT Breakfasts'	Throughout the year, monthly events are held to encourage safe travel to and from school. Pupils who, walk, ride or 'scoot' to school are put into a raffle which is drawn in assembly (hi-vis prizes are given). In the spring and summer months, 'BikeIT Breakfasts' are organised to promote healthy travel to school. Pupils, parents and staff meet 1 mile away from school and cycle to school together where a breakfast is provided.	£200
Total Spend		£16,900

### Impact

- Staff tell us that as a result of the Sports Specialist working alongside them in the delivery of PE, they feel confident to teach PE and Games to the pupils.
- All pupils receive 2 hours per week of physical activity.
- Both playgrounds provide a wide range of opportunities for pupils to be active. In addition to the wide range of extra curricular activities, pupils can play basketball, table tennis, tennis, cricket, football, take part in a range of throwing and catching activities and, on the Year 3 and 4 playground, play on the Trim Trail. As a result, pupils are very active during their breaktimes.
- 91% of our pupils currently attend at least 1 extra curricular activity, 71% attend 2 or more and 55% attend 3 or more, each week (survey carried out in November 2017).
- Pupils have the opportunity to learn and take part in a wide variety of sports, including netball, football, cross-country running, cricket, basketball, rugby, netball, table tennis, tennis, archery, golf, judo, fencing, canoeing, rock-climbing and abseiling.
- Pupils, staff and parents are aware of the importance of healthy travel to and from school (there are consistently over 100 participants in our 'BikeIT Breakfast' events and most of the pupils take part in the 'Wheelie Walkie Wednesdays' each month).
- 99% - 100% of the pupils attend the two residential visits in Year 4 and Year 6. Both focus on outdoor sports including canoeing, rock climbing, orienteering, archery and ghyll scrambling.
