Borrowed Clothing – Foundation Stage

If your child has had to borrow any spare clothing from school can you please ensure that this is washed and returned. Our stocks of spare clothes are now running low so we would appreciate your assistance with this matter. Thank you.

Foundation Stage Staff

Health & Wellbeing

Since the start of the new term we have been visited by ambassadors from Premier Sports to teach the children in Key Stage 2 all about healthy living and the importance of a balanced diet, exercise and a healthy mind. Some of the children have also had specialised after-school lessons based on skills, such as archery and fencing, that we as a school wouldn't usually be able to offer. They have been a real hit with the children and the feedback has been nothing but positive from the staff. If you would like further information on what the children are learning, you can visit their website at www.premier-education.com or speak to myself when I am available.

Year 6 Topic Work

Year 6 are currently enjoying making Volcanoes for their 'Natural Disasters' Topic. Here is a quick snapshot of our first stage of the process! The children will be continuing their projects over the next couple of weeks before choosing which volcanoes are going to erupt!

Absent Due to Illness

Please can we remind parents what to do if your child is unwell:

- Decide whether your child is unwell enough to stay at home. Could they attend school to see how they go? School will always contact you if we feel your child is not well enough to attend.
- Contact the school office on 01623 452770 to inform us of your child's absence and the reason for this before 8.55am.
- You will then need to inform school each subsequent day your child is absent.

Parking at the rear of the School - REMINDER

We have again received various complaints this week regarding parking at the rear of the school. **This is a private road and should not be used for parking by parents/carers at any time.** Thank you for your consideration in this matter.
