

ST MICHAEL'S PTA NEWS

EBAY IS NOW ON SCHOOL ANGEL

Any online shopping you might do, whether it be for food, holidays, clothing or gifts. If you can just click on your chosen website via School Angel St Michael's receives a donation. It doesn't affect the price it just means we get a few pennies for clicking through. It all adds up for us doing nothing! Thank you so much!

SILVER SMARTIES

After half term each child will be receiving a pack of Smarties. A little gift from the PTA with a twist. Please can you keep the tube and fill it with as many 20p pieces as you can. This is a great fundraiser for the children to be involved in and can sit on the side and be filled over the weeks until Easter.

OUR NEW TARGET!

Our new PTA target is the new school library. Currently the ICT suite this room is going to have a huge make over with our aspirations being something like the below image. A place the children can read and enjoy learning, take lessons in and feel comfortable. There will be nooks for them to sit in and plenty of books. This all costs money that is not available to the school so we are raising to be able to complete this room for the children.
