9th Valentine disco

9th End of Term

April

16th Term 5 starts

16th Rebooked swimming lesson for

Years 2 & 4

Apology

We apologise for the absence of a Flyer last week, this was due to staff training commitments throughout the week.

Foxmoor Flyer

Primary School League Tables

The Primary School League Tables have been in the news this week and we are pleased to report that Foxmoor came first in the Stroud area (and third in the county) with 95% of pupils meeting the expected standard. The children's reading standards were well above average and their writing and maths skills also met the average expected at this stage. As always all staff will continue to encourage all children to reach their full potential throughout every stage of their life at Foxmoor.

Friends of Foxmoor AGM

The annual general meeting of Friends of Foxmoor took place last night. We were delighted to welcome some new members and had a very successful meeting. Plans for this year have already been drawn up and it looks like we are in for an exciting time – watch this space!

Our thanks go to the committee who raised just over £8,000 in the past year. The school is already benefitting with the new garden room which is in constant use.

Isle of Wight Meeting

Although September may seem a long way off we have been organising the Isle of Wight residential trip for some time. A meeting will be held on Tuesday of next week to inform and explain to parents what is planned and to give you an opportunity to ask any questions regarding this important trip. The meeting begins at 6.30pm. We look forward to seeing as many parents of Year 5 children as possible.

Swimming

Due to unforeseen circumstances at the leisure centre, swimming for Years 2 and 4 was cancelled on Monday of last week. We have rebooked a further lesson for the children affected, this will take place on the first Monday after Easter (16th April). Foxmoor's swimming skills have been updated this week during staff training led by an accredited teacher from the Swimming Teachers' Association. The main focus was on stroke skills and participants have now reached STA Level 2. These skills will of course be implemented immediately during swimming lessons for Years 2 and 4.

Police Visit

The Reception Class received a visit from PC Ravenhill on Tuesday morning as part of their 'People Who Help Us' topic work. Some of the children were brave enough to try on handcuffs and all of the class took turns to sit in the police car and see the technology used by a traffic policeman when on duty. As always this annual visit was enjoyed by all involved.

Lost P.E. Kit

Evie Cole, Year 4, has mislaid her P.E. kit. Please could you check at home to make sure it has not been brought home by mistake? Thank you.
