

Early Years Foundation Stage Newsletter – Spring 1 - 2018

Dear parents/carers

The Early Years Foundation Stage would like to wish you all a happy New Year. Welcome to our Spring 1 newsletter. This first half of the Spring term our topic is 'Animals'. The children will be reading a range of books about this topic and we will be linking all our activities to this. Our activities will continue to be fun and motivating for our children to learn. Please check the Hatton School's website for photographs, newsletters and information about the Early Years Foundation Stage.

Some stories you may want to look at-

Walking through the jungle

Goldilocks and the three bears

Hole in the bottom of the sea

Old Macdonald had a farm

Rainbow fish

As part of our topic "Animals" We will be looking at:

- different animals
- animal homes
- pets

Activities to try at home to support our topic -

- Playing with toy animals, Singing animal songs
- Create pictures / collages of different animals
- Visit the local farms, pet shops etc.
- Waterplay with sea animals, jigsaw puzzles and games

Please don't forget to send us any photos of your children having fun and developing their skills at earlyyears@hattonspecialschool.co.uk or via the home school book. Thank you

Learning experiences outdoors

The children will have learning experiences outside exploring where different animals live.

Dates for the workshop for parents and "Stay and Play" sessions will be sent to you very shortly. We hope you can come. These workshops will help you understand more about PECS (picture exchange communication system), Makaton and speech. Also different types of play and sensory ideas. You will also be able to see this in practice during the "stay and play" sessions where you participate in activities with your child/children.

Āpanuṃ svāgata chē

خوش آمدید
