

Dear Players and Parents

We are delighted following on from our very successful sportforyou project and our current sporting chance sessions that another Rugby opportunity has been developed.

WASPS Community Coaches, Old Leamingtonians Rugby Club and Entrust Care Partnership have joined together to develop a mixed ability rugby team.

This opportunity is part of the RFU's Project Rugby, which is promoting that Rugby is accessible for all. We will develop a team of people who all want to come together and play touch/tag Rugby, we hope to lead onto playing in local and regional tournaments with other like minded teams.

The team is open to **everyone** aged over 14 years of age, so whether you have played Rugby before or not, are male or female, have a disability or additional need or not you are all welcome.

A great opportunity for siblings, parents etc to come together and play sport.

We are holding 3 taster sessions on Thursday 7th, 14th and 21st December 2017 and will then launch the team on Thursday 11th January and then will meet weekly for the rest of the Rugby season. The main session will be 6pm-7pm, we will meet at 5.45pm and the session will end at 7.15pm.

The sessions will be held at Old Leamingtonians Rugby Club, Berricote Lane, Leamington Spa. The first 12 sessions will be supported by WASPS Community Coaches, we will also have coaches from Old Leamingtonians Rugby Club.

Entrust Care Partnership will have volunteers present to support everyone to access the sessions, if 1-1 support is needed then this can be arranged on an individual basis.

There is a one off cost of £25, this will mean that players become members of Old Leamingtonians Rugby Club. We will be requesting to undertake a DBS check on all players/coaches over the age of 18, this will be paid for by the Rugby Club.

Please do share this fantastic opportunity far and wide and lets get the team known across the Region.....even Nationally

Thanks
