

Evidencing the Impact of Primary PE & Sport Premium

Guidance & Template

DEVELOPED BY:

Evidencing the Impact of Primary PE and Sport Premium

Department for Education Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

The funding has been provided to ensure impact against the following **OBJECTIVE**:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (*above*) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

It is a statutory requirement of Ofsted, under their Common Inspection Framework, to ensure that information on the use of the Primary PE and Sport Premium is available on your school website. One of the key purposes of putting information on the school website is to keep parents informed, so this information should be written in a format that is clear and easily accessible. We recommend that you upload the following **template** to your website to serve that purpose.

Primary Physical Education and Sport premium planning and actions should show how use of funding contributes to this vision through identified school priorities which can be measured through reference to key outcome indicators. It is important that the main drivers for improvement are those identified by the school through their self-review. Each school should aim to achieve the following objective:

OBJECTIVE: To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

Please see Figure 1 (below): A process model to support your thinking:

DEPARTMENT FOR EDUCATION GUIDANCE ON HOW TO USE THE PRIMARY PE AND SPORT

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

For example, you can use your funding to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and [Change4Life](#) clubs
- run sport competitions
- increase pupils' participation in the [School Games](#)
- run sports activities with other schools

You should **not** use your funding to:

- employ coaches or specialist teachers to cover [planning preparation and assessment \(PPA\)](#) arrangements - these should come out of your core staffing budgets
- teach the minimum requirements of [the national curriculum](#) – including those specified for swimming.

SECTION 1 – EVALUATION OF IMPACT/LEARNING TO

In previous years, have you completed a self-review of PE, physical activity and school sport? Yes

Have you completed a PE, physical activity and sport action plan/ plan for the Primary PE and Sport Premium spend? Yes

Is PE, physical activity and sport, reflective of your school development plan?

Yes

Are your PE and sport premium spend and priorities included on your school website?

Yes

Are your PE and sport premium spend and priorities included on your school website?

Yes

SECTION 2 – REFLECTION: WHAT HAVE WE ACHIEVED AND WHERE NEXT? 2016/ 2017

Use the space below to identify what your use of the Primary PE and Sport Premium has been to date, and priorities for the coming year:

Key priorities to date:	Key achievements/What worked well:	Key Learning/What will change next year:
<p>Target children to increase physical activity levels at playtime</p> <ul style="list-style-type: none"> • Increase Competition opportunity for KS1 • Develop inclusive PE in our curriculum • To develop staff confidence in delivering Dance within the National Curriculum. 	<p>Looked at Sandwell obesity levels in under 7's and targeted activity levels at lunch and play times. Used pupil voice to ask what equipment/games children would enjoy. Children took part in a series of physical activity sessions led by Fit for Sport.</p> <p>KS1 pupils entered in some in house competitions for football and multi skills. It is great to see them getting involved in competition and would like to continue to increase this.</p> <p>Inclusive equipment has been purchased and we now have a wide range of equipment that is used to differentiate in PE.</p> <p>Subject Lead continually supported and up-skilled. This is working very well as it enables them to continuously pass on further knowledge to wider staff.</p>	<p>Yes. We took part in a Fit For Sport pilot where we could monitor activity levels over an 18 month period. We aim to inspire all pupils to lead healthy active life styles and this is an important tool in achieving that.</p> <p>Yes. We intend to contact our local school games organiser to discuss KS1 competitions. Competitive sport is an excellent way of instilling British Values such as respect, tolerance, and fair play at an early age. Using sport to inspire, enthuse and educate children</p> <p>Yes. Inclusive equipment is a fantastic way of engaging All pupils in PE and provides a wide variety of ways to differentiate tasks.</p> <p>Yes. CPD is crucial to ensuring sustainability. Utilising invaluable knowledge and qualifications to share with all staff. Continue this using 2016-2017 budget.</p>

Vision: ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

Objective: To achieve **self-sustaining** improvement in the quality of PE and sport in primary schools against 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

PE and School Sport indicator	School Focus Impact on pupils	Actions to achieve	Planned funding £	Actual funding	Evidence	Impact on children	Sustainability
1. the engagement of all pupils in regular physical activity- kick starting healthy lifestyles	Physical interventions for targeted pupils. Pupils who need have been identified as needing physical literacy skills and physical activity in a small group.	PE lead to train LSP's to deliver high quality interventions. Baseline all children before intervention. Use new resources bought last year to engage children. Monitor and assess pupil progress.	1500	1677	Photos Lesson observations Pupil voice	89% of children made good- outstanding progress in handwriting. (fine motor skills) Children were tracked on Healthy active schools system (HASS) and 100% of physical activity levels increased.	LSP can continue intervention through targeted timetable for all year groups.
4. broader experience of a range of sports and activities offered to all pupils.	Trial tester sessions for a range of sports to encourage competitive sports within the curriculum.	Contact local sports clubs to come in for sessions to engage children. <ul style="list-style-type: none"> • Hockey • High 5 netball • Tennis • Football 	500	1500 (500 new resources)	Photos Lesson observations Pupil voice	100% of children through pupil voice enjoyed taster sessions. 10 children from Year 2 attended tennis school camp. 35% of boys in Year 2 have joined Football teams outside of school.	Bought tennis equipment to teach key elements of the Sport in PE sessions.
3. increase confidence, knowledge and skills of all staff teaching PE and Sport.	Continue to develop staff cpd with teaching dance in the NC to ensure all new staff are confident.	PE Lead to train team teach with staff on dance and elements to a lesson. Team teaching with staff and helping to plan a series of lessons to show	1500	2500	Effective leadership, high level of evidence in file. Effective team teaching Confidence of staff increased.	100% staff confident at delivering Dance in the curriculum. 100% lesson observations are good/outstanding.	Staff able to plan and teach a half term of dance in their own year groups. Medium term planned for Year groups to aid further planning for teachers who change year group.

		progression towards KS1 programme of study statement.			New staff CPD needs met. Photos, videos. Lesson observations. Staff questionnaires.	30 children take part in dances at the school summer Fayre.	
1. the engagement of all pupils in regular physical activity- kick starting healthy lifestyles	Extend the agility trail on the field to increase agility, balance and coordination skills at lunch/playtimes.	Add balance junction, Walk and stretch posts and Agility ladders. Train MSA'S on how to use equipment safely. Encourage children to use in their own time.	3,000	3,150	Pupil voice Baselines of physical fitness Staff questionnaires	Physical activity levels of all pupils have increased from baseline of the HASS system. 100% children enjoy playing on the new agility trail and like being physically active. Pupil voice goes out on newsletters to tell parents how we encourage physical activity.	Continue to encourage new starters to school to be physically active during playtimes/lunchtimes.
1. the engagement of all pupils in regular physical activity- kick starting healthy lifestyles	Buying into cybercoach for increase physical participation during wet playtimes. Yoga training for CPD and Health and well-being. Healthy cooking club through school council to kick start healthy lifestyles		1500	2000	Pupil voice Interviews with school council Staff questionnaires	90% children in pupil voice say they enjoy cybercoach sessions in the hall during wet play. Children have created a healthy schools recipe book for all years to take from the trail cooking in cooking club.	Cybercoach activities and sessions copied by MSA's when laptop is not available so physically active playtimes continue. Continue cooking club to look at other healthy meals.
