Dear Parents/Carers,

Re: Special Educational Needs Information Meeting
Thursday 22nd February 2:30 pm

I would like to invite you to a meeting to provide you with information on support services available if you have children with Special Educational Needs.

Emily Claydon from the Central Bedfordshire Parent Partnership will be available to discuss ways in which she can support parents. She provides confidential, impartial and independent information and support

We also have Kirsty Green from SNAP. SNAP is run by parents for parents and is a proactive independent forum of parent carers who all have children with Special Educational Needs and Disabilities.

I will also be on hand as school SENDCo to answer any questions you may have about your child/children. The meeting will be held in the school hall and refreshments will be available. You are all very welcome. We look forward to welcoming you.

Yours sincerely

Mrs S. J. Ball
SENDCo
