Session availability

From September 2017, we are offering children 5 morning sessions in our nursery class. These sessions are provided at no cost to parents. Morning sessions run from 9.15am until 12.15pm.

In addition, from April 2018, we hope to offer extended provision in the form of afternoon sessions from 12.15pm to 3.15pm each day to children who would benefit from a full day in Nursery.

From September 2017 the Government increased free childcare for 3 year olds with eligible working parents to 30 hours per week. As there are criteria to meet, not all families will be entitled to 30 hours free childcare. Families entitled to 30 hours free childcare a week, will receive the extended provision at no cost. Families who do not qualify for this can still take advantage of the extended provision, at a cost of £15.00 per session.

Please indicate by ticking the box how many hours you would prefer your child to attend if available.

15 hours a week

30 hours a week

Please note this is an indication only, you will be asked to book additional sessions at the time a place in our nursery is offered to your child. A place in our nursery and additional sessions are subject to availability.
