Please join us!
Your voice is important.

**Thursday 1st February at
4.30pm, Junior building**

We have begun developing our Parent Teacher Association but we welcome any more parents wishing to join us.

MATHS NO PROBLEM!

Parents Maths Workshop

Thank you to all parents who have completed and returned their Maths questionnaire! In response to your questionnaire, we would like to invite you to a Maths – No Problem! Workshop. This will be an exciting opportunity for you to work alongside your child and gain an insight into how Maths is taught at Kestrels' Field.

There will be lots of hands-on activities that you will get to experience with your child. It will be their opportunity to share their learning with you – they may even teach you something new!

The workshop will be held on **Tuesday 27th February** for all **Years 1 and 2** children at **2pm – 3pm**.

The workshop will be held on **Wednesday 28th February** for all **years 3, 4, 5 and 6** children at **2:20pm – 3:20pm**.

We really hope you can join your child. If you are unable to come, please can you ask another adult family member to join your child.

We look forward to seeing you there,
Maths Team 😊

Operation Encompass:

All Leicester Schools have become part of a new safeguarding initiative- Operation Encompass. The scheme aims to provide early reports to schools of any children who may have been involved in domestic abuse situations; this has been introduced because domestic abuse can have a big impact on children. The information will be shared with a Designated Safeguarding Lead who will make sure we offer the appropriate support and will be dealt with **in confidence**. If you wish to speak to anyone regarding Domestic Abuse you can contact the Leicester, Leicestershire and Rutland Abuse Helpline on 0800 802 0028.

Clubs at Kestrels' Field – A message from Mr Hansen

I am pleased to tell you that I will be leading our exciting clubs offer at Kestrels' Field from now on. I have taken some time to look at all the fabulous clubs and events that are currently happening in school and have planned some exciting improvements going forward.

Information about the next round of clubs on offer (for after half-term) will be detailed in a letter which be sent out this Friday. Clubs will be 'live' for parents to sign up for **from 5pm on Monday 5th February via SchoolMoney**. Parents of children eligible for Pupil Premium funding should read the letter carefully for information about how to sign up. All clubs will now be priced at a standard charge of £2.00 per session.

Change of timings: Clubs that run on the Junior site will finish at **4:20pm** from 19th February onwards.

Please look out for the letter that will be sent home on Friday and talk to your child about what they would like to do! Thank You.

Peter Baldry

Over the next 2 weeks we are lucky enough to have an artist coming into school to work with the children in creating a unique Kestrels' masterpiece based on our character behaviours. Miss Rehal also won the school a second free project from him on Twitter 😊

Watch our social media to see more of what is emerging!!

Traffic consultation

The local residents, our school neighbours, are upset at the disrespectful parking that is happening. Please do not park on their lawn, over their driveway or make it so that pedestrians cannot pass. We are teaching the children about respect, please can ALL parents show it. There was a police parking 'sting' at the beginning of the year. There will be a follow up one from this soon. The infant traffic calming measures have been passed by the council after a period of consultation. We are really pleased.

SEND and School nurse drop in sessions

Alison Woodbridge (School Nurse) will be holding a parent drop-in session at the Infant Site on Wednesday 21st February 2018 (8.30-9.30am). She will also be at the infant site on the Wednesday parent evening session.

Mr Fletcher will also hold an SEND drop-in session for parents on Thursday 22nd February (8.30-9.30am) at the Infant Site. Please pop in and chat through any questions you have.
