

# INTERNET SAFETY AWARENESS

at UPTON SNODSBURY CE FIRST SCHOOL  
Thursday 8<sup>th</sup> February at 8.45am

All parents are invited to an Internet Safety presentation at school to share some of the ways in which you can keep your child safe whilst online.

We as adults need to be aware and act responsibly when allowing children to use computers, tablets/iPads, mobile phones and game consoles.

This presentation will highlight the importance of being safe and where you and your child can turn to if you are unhappy about anything that is online.

I hope that you are able to attend this morning meeting!
