"Where A Love of Learning Grows"

2nd February 2018

Dear Parents

**Residential Visit to Malvern Hills Outdoor Activity Centre
for children in Years 3 and 4 (2018)
26th to 28th September 2018**

We are planning to take children from Years 3 and 4 (September 2018) on a three day Residential Visit to the Malvern Hills Outdoor Activity Centre on the dates given above.

The trip gives children an opportunity to undertake a variety of activities, which it would not be possible to do in school, within a safe and child centred environment. The experience fosters independence and teamwork, and this early in the term, will enable the class to 'bond' as a group. It is a really exciting experience which enables the children to learn how to support and care for themselves, and each other. A truly worthwhile and memorable visit!

We will be holding an information evening for parents and children on Wednesday 7th March at 5.15 pm at school, to give details of the trip and answer any questions you may have. This is an extremely important meeting so that the children and parents are fully aware of the trip, and also so that numbers can be confirmed. The cost of the visit will be approximately £161 and this can be paid up over the next two terms. We are hoping all parents and children will attend as we believe this experience has a strong impact on the children is team building.

Please complete the reply slip below and return by Friday, 9th February 2018.

Yours sincerely

Mrs R Mayo/Mrs L Barber
