Dear Reception and Nursery,

Thank you for your lovely letter about planting trees.

You made some really good points about how helpful trees are to our planet - I had forgotten about them giving us oxygen and helping us to breathe.

I am sure Mrs Evans would be able to help recommend what type of trees might grow well in our garden. Perhaps you should invite her in and you could ask her lots of questions.

I will put some money in a purse for you to take to the garden centre to buy a couple of trees.

I agree with you that trees are beautiful.
One of my favourite trees has purple leaves!

Can you find out what it is called?

Do you know where the world's largest tree is?

Love from Miss Young
