Dear Colleague

Public consultation on plans for changes to the way we support children with Special Educational Needs and Disability (SEND)

I am writing to request your support to enable parents and carers, children and young people to be involved in the public consultation on plans for changes to SEND provision.

Consultation events started on 17 January and will run to 28 February 2018.

If these new plans are approved, they will come into effect by 01 September 2018.

I would be grateful if you could support the Local Authority by displaying the enclosed poster/leaflet to promote the consultation.

Yours sincerely

Judith Kirk
Deputy Director
Education, Employment and Skills
