5<sup>th</sup> February 2018

Dear Parents/Guardians,

In order to continue to promote 'Reading for pleasure' in school, we have set all children in school some reading challenges to complete over the February half term. We would appreciate any support from you in helping the children to complete the range of challenges.

All children in Foundation Stage and KS1 will be given a booklet in which they can complete their challenges. In KS2, there is no requirement for how the children present these challenges, however for your convenience there are a range of documents available on the school website should you wish to print these off. The children have been shown on the website how to access their phase page where they will be able to find a link to these resources.

All we ask is for you to sign off the challenges completed by your child and encourage them to complete the tasks to the best of their ability. The children can then bring any completed challenges into school to share with their teacher and class by Friday 23<sup>rd</sup> February.

Thanking you in advance for your support – Happy reading!

Yours sincerely

Mrs S Youd  
(KS2 Literacy Leader)
