Headteacher: Mrs Amanda Brockway  
Chair of Governors: Mr Michael Gibb

Monday 5<sup>th</sup> February

Dear Parents,

Tomorrow is Safer Internet Day. Our pupil online safety committee led two assemblies this morning to help raise awareness of staying safe on all digital devices, one suitable for KS1 and one suitable for KS2. There are many useful internet links that give advice to parents about a wide range of online issues.

Please see below for a list of useful websites about online safety – they are all hyperlinked so you should be able to click on the image to take you to the right site. If not then please visit our online safety page on our school website where again all the sites have hyperlinks.

Click here to visit the school online safety pages:

<http://www.broadchalke.wilts.sch.uk/e-safety>

Please encourage your child to take part in the Safer Internet Day competition (paper copy in book bags) and use this as an opportunity to discuss online safety whilst using any device with internet capability, in and out of school.

The theme this year is:

*Create, Connect and Share Respect: A better internet starts with you.*

Yours truly,

Mrs Brockway

### SAFER INTERNET DAY

Safer Internet Day 2018 will take place on **Tuesday 6th February** with the slogan **“Create, Connect and Share Respect: A better internet starts with you”**.

Safer Internet Day is celebrated globally in February each year to promote the safe and positive use of digital technology for children and young people.

Coordinated in the UK by the **UK Safer Internet Centre** the celebration sees hundreds of organisations unite to raise awareness of online safety issues and run events and activities right across the UK. For more information, please click on the links below:

THE SALISBURY DIOCESAN  
BOARD OF EDUCATION  
"Making for all the young people, adults and visitors"

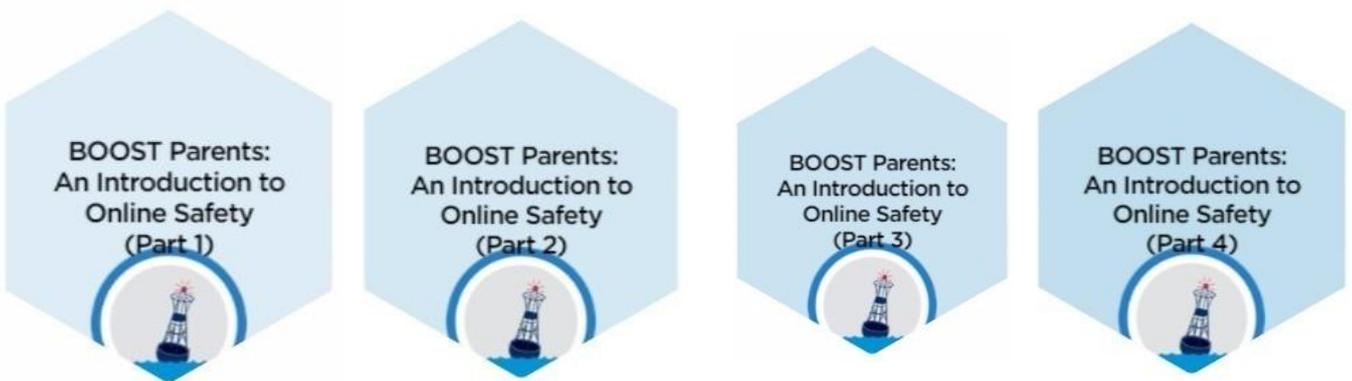

We believe in the educational benefits of Digital Technology for effective teaching and learning.

Please click on the links below for help and advice about online safety.

Please click on the hexagons on our school website to watch parent information video clips about online safety. These information videos are provided by SWGfL through a subscription our school has with Online Safety Boost+

The 21st Century Child

Technology and Opportunities

Managing Risks

Positive Action

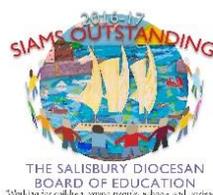

Are you unsure if an app, game or film is suitable for your child? Common Sense Media is a fantastic site where you can find reviews of all apps, games and films. The site also has lots of useful advice about setting boundaries for the use of electronic devices.

A copy of the SMART e-safety rules used within our school.

Artsmark Silver Award  
Awarded by Arts Council England

Watch a series of cartoons illustrating the 5 e-safety **SMART** rules. Follow the SMART Crew of young people who guide the cartoon characters in their quest, and help them make safe online decisions.

Download the Hector's world Safety button by clicking on the link. Your child will be able to tell you what it's for.

Parental guides to: Cybersecurity, Cyberbullying, Instagram, Snapchat and Facebook.

A direct link to the CEOP's (Child Exploitation and Online Protection) *Thinkuknow* website.

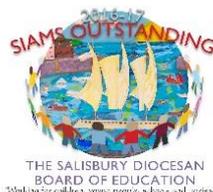

For up to date information about parental controls, staying safe while gaming and for links to other current e-safety topics. This site also links to *Digiducks BIG Decision* ebook used in KS1 to deliver the e-safety message.

Links to activities and information for all ages.

Artsmark  
Silver Award  
Awarded by Arts  
Council England

Explore the digital world with your child by clicking on the many links in this site. Aimed more at Upper Key Stage 2 with lots of advice about chat rooms, mobile phones, downloading media etc.

The UK Safer Internet Centre website provides e-safety advice for children and young people, parents and carers, teachers and professionals.

An online magazine with step by step e-safety guides to setting up security settings in Facebook, using Google Safe Search, parental controls in Microsoft Windows 7 and much more. (\*May take a short while to load)

Free internet filter and parental control software.

A NSPCC sponsored site providing guides to the social network and games sites children are using today. The site includes guides to privacy settings and reporting abuse on sites such as; Minecraft, Miniclip, Club Penguin, Instagram and WhatsApp.

Advise for parents about online bullying

If you are worried about online abuse or the way someone has been communicating online, let CEOP know.
