

Year One Newsletter- Spring 1

What can we learn from fairy tales?

Visits

We will be having a very exciting fairy tale Tea Party at the end of our theme where we will go over to Whiteways and spend the afternoon with the Year 1s there!

We will all dress up as our favourite characters and enjoy activities with our special guest!

P.E

Our P.E lessons are on a Tuesday, where the children will practice their dance and gymnastics.

Please make sure your child brings a P.E kit and does not wear earrings or jewellery on this day.

This term we will be focusing on the theme of 'Fairy tales. We will read a range of fairy tales and look at the characters and settings in our Literacy learning. We will then use our creative skills to create our own stories and make a class book of fairy tales.

Reading

We would love to see you reading at home with your child. It helps their reading in school!

Please make sure your child brings a book bag into school so that they can choose a book to take home with them. We will also be running some reading workshops throughout the year, we will let you know when these are and invite everyone to come along!

Literacy We will be reading, re-telling and innovating *The Gingerbread Man* and *Goldilocks and the Three Bears*. We will use our own ideas and adjectives to describe our new characters and continue to write five star sentences in all of our writing. .

Maths We will be looking at shape, space and measure this half term, including 3D shape, measuring capacity, time and weight. We will also continue to work on our number skills by adding, subtracting and partitioning.
