

National Assessments for Summer 2017

Our children and staff have been working fantastically hard all year. Our Reception, Year One, Year Two and Year Six children have been assessed, along with all the children in the country in the same years. Attached are summaries of how well our school has achieved in each of those assessments.

We know these results are based on strong partnerships between school and home, and the expertise of our staff and our Governing Body, and thank everyone for their commitment to our school.

Early Years and Foundation Stage Results 2017

	Good Level of Development (GLD)	Average APS
St George and St Teresa	83%	43.4
Solihull Borough	72%	34.8
National	71%	34.5

APS is the average points score attained for the combination of 17 aspects that children are assessed on at the end of EYFS, where 1 is emerging, 2 is expected and 3 is exceeding.

TA = Teacher Assessed, so no scaled score.

Key Stage Two Results 2017 – Progress Scores

	Reading	Writing	Maths
St George and St Teresa	+0.73	+0.11	-0.61

Progress scores are presented as positive and negative numbers either side of zero. A score of 0 would mean pupils in this school, on average, do about as well at Key Stage 2 as those with similar prior attainment nationally. A positive score means on average more progress than similar pupils nationally and a negative score means on average less progress than similar pupils nationally.

Our progress scores close to zero for each subject reflect the very high attainment our children achieve in Key Stage 1 in 2013 that was then sustained throughout Key Stage 2.
