As we are a church school, we all try our best to behave as Christians by caring for each other, respecting each other and forgiving each other when things go wrong.

**Why should we behave in school?**
- It sets a good example to younger ones and visitors
- Because it is the right thing to do
- It keeps everyone safe
- It helps teachers teach and us to learn
- It makes sure the school is a happy place

**We expect you to be …………………**

- Respectful to our school and everyone in it
- Kind and peaceful
- Kind and keep your hands and feet to yourself
- Polite and have good manners
- Generous and friendly

**How to behave on the playground**

• Be aware of people around you so that no one gets hurt
• Please look after the equipment
• Please help to put the equipment away when you have finished using it – **PUT IT AWAY OR IT WON'T BE THERE ANOTHER DAY!**
• Please respect all the staff who are outside on duty
• Please respect other people’s privacy in the quiet area by not shouting loudly and having disruptive behaviour
• Please keep off the trim trail when it is muddy or wet
• Please do not stand on the benches because other people want to sit on them
• Please do not go on the grass when the cones are around it

**Consequences**
If you do not follow the school rules, there will be consequences for your actions.

If rules are ignored –
• You will be spoken to by a member of staff
• The member of staff will talk to the child about their behaviour and they may miss their break or part of lunchtime
• If you ignore a member of staff you may miss your break
• Consequences might be –
  o Finishing work
  o Writing an apology note
  o Doing corrections from your work
• If you answer back to staff on more than one occasion, your parents may be phoned and told about your behaviour
• Work may be sent home if it is not completed because the child has been messing about
• If you hurt somebody with equipment then you will no longer be able to use it
Reward programme
School Council created a survey to find out what the children’s thoughts were about this new behaviour policy. School Council agreed that every class should have different rewards because of the different age groups and the classes will enjoy different rewards.
