Parents' Evening

Parents' evening will take place on **Thursday 8th March**. Slips will be sent home Monday 19th February.

Nursery

What a busy half term we have had in Nursery. The children have been busy learning about 'People Who Help Us' and we have had our playground transformed.

I'm sure that you have all enjoyed seeing the equipment being installed and we are pleased to say that the children have begun to explore the equipment.

You can see from the photographs how the children have used the large percussion equipment. They also sat in the 'hobbit house' to learn how to play a repeated rhythm.

During next half term we will continue to introduce the new equipment through focus activities with an adult before the children are allowed to free play around the area.

We are renovating the Nursery toilets and entrance area and having a makeover of the indoor environment. As this work will take two weeks, please note that **Nursery** will be closed from Friday 9th February and will reopen on Monday 26th February.

For children in the main school (Reception through to Year 6), school will reopen on Monday 19th February at 8:40am.

Year 1 Planetarium

The children in Year 1 have had a great experience inside the Planetarium dome and through that they have learnt new things about space. The children asked a lot of questions and they were very excited with the 3D experience.
