Faith in Ourselves, Hope for the Future, Love for Each Other Newsletter –9th February 2018

Dear Parents / Carers

This half term we have been thinking about the Christian values of peace and humility. I have seen lots of examples of these values in action around the school and we picked Alisa, Lola, Cora, Harry G., Kacie-Mae, Holly P and Elizabeth out of our values boxes on Monday so well done to them.

Could I please remind all drivers of the policies regarding parking in the staff car park and outside of the school. We had an incident this week in which a driver reversed up to the school gates in order to turn round at home time and narrowly missed a pedestrian. I understand how difficult it is with the on-going building sites but please ensure that you drive and park considerately.

I hope you all have a happy and safe half term.

Kind regards,

Mrs Karen Williams

Head Teacher

E-Safety

As part of e-safety week, all of our children have had a fantastic week learning about an aspect of e-safety, from passwords to social media. We have all been introduced to Online Owl, Kirk Fenton's very own e-safety mascot who helps remind us to be wise online. We would like to say a huge thank you to Louisa Frith for designing our amazing logo and to Mrs Lynn for making him come to life so he could visit each of our classes. After half term we will continue to have an e-safety column as part of our weekly newsletter with advice, guidance and messages to help support families with e-safety matters at home. Thank you for returning all of your e-safety parent questionnaire; these will further direct our provision in school.

Y1 Dodgeball

Ten excited and enthusiastic Y1s went to Sherburn to play dodgeball with children from two other schools in our sports cluster. After learning the rules they played lots of games, improving their dodging, throwing and aiming skills whilst having fun! Well done to Lola, Clemmie, Dexter S, Olivia, Max, Margery, Francesca, Lillie, Niamh and Laila.

"I got better every time." Laila

"It was amazing – I liked the doctor game." Francesca

"It was good, I liked being the queen and dodging." Lillie

"I loved it!" Dexter

Thank you to parents for help with transport.

STAR Academy Update

We would like to inform you that the Governing Body of Kirk Fenton CE Primary School has considered the consultation reports, based on feedback received during the consultation period (13 December 2017 - 26 January 2018), and has agreed to convert to academy status as part of a new multi-academy trust - the STAR MAT - on the basis of the original proposals published. Their view is that this decision is in the best long-term interests of our pupils and the school, building on our strong and successful partnership in the STAR Alliance. The intention is that the schools involved (Appleton Roebuck, Kellington, Kirk Fenton CE, Monk Fryston CE, Riverside, Sherburn Hungate, South Milford, Sherburn High School and Tadcaster Grammar School) will convert on a phased basis during May, June and July 2018, and that the STAR MAT will be fully operational from September 2018. Thank you to those of you who contributed to the consultation process.

Save the Date:

The date has been set for our annual Summer Fair so please keep SUNDAY 10TH JUNE 2018 free. The event is just in the early planning stages at the moment so please look out for updates. We will be holding the first planning meeting on Wednesday 21st February at 7:30pm in the Fenton Flyer. If you would like to be involved then please come along and share your ideas. We appreciate any help you can give however big or small it may be.

We hope you all have a fun Half Term break.

Thank you.
