

We would like to thank all the parents that came to our training workshop on the 1<sup>st</sup> February 2018. I hope this was helpful, learning about the strategies we use at Hatton to support your child's communication. Please contact us if you have any questions.

It was also fantastic to see all the parents at the "stay and play" session on the 8<sup>th</sup> February 2018. We are looking forward to the next one. Letters will be sent to you in due course. In the meantime please enjoy our slide show.
