

Sport Premium Action Plan and Report Financial Year 2017-2018

Department for Education Vision for the Primary PE and Sport Premium

By the time children leave the school, all children should have gained a range of knowledge, skills and motivation in a variety of sports and be physically literate and confident. These are necessary skills to prepare the children for the next stage in their education and equip them with the skills to lead a healthy and active lifestyle, as well as the determination and motivation to participate in physical activities and sports in the future.

It is expected that schools will see an improvement against the following 5 key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Objectives: To achieve **self-sustaining improvement** in the quality of PE and sport in primary schools.
To promote, develop and sustain an active healthy lifestyle.

Budget available: £16,000

Subscription to North East Herts School Sports Partnership: £750

Other Planned funding: £0

Total Planned spending: £15, 850
