Happy Birthday to you all.

PLEASE PARK SENSIBLY AND THOUGHTFULLY

On Monday at 3:30pm we had the awful task of calming down a mother and her 6 year old daughter who had narrowly avoided being hit by a car outside of the school. It was desperately upsetting for all involved. Fortunately, due to the quick thinking of the child's mother, a serious accident/ fatality was avoided. No headteacher wants to write to parents about a fatal accident involving one of their pupils.

I would like to extend a big thank you to those of you who park considerately and take the safety of our children seriously. Thank you for creating a school where children's safety is a greater priority than convenient parking. Lets continue to work together to create a culture where unsafe parking, which puts children's lives at risk, is seen as unacceptable. Thank you.

Parent's Evening Thank You

Many thanks to those parents who attended open afternoon and parents' evening on February 5th, 6th and 8th. It was wonderful to see everyone and share with you the children's achievements and talk about their progress.

Parents' evenings help you to become better involved in your child's learning. It also helps you to give your child good, practical support. When schools and parents work together, children do better, so thank you once again.

Outstanding Work

This week we celebrate CJ Everrit in Year 2 who has been doing some fantastic writing in his Big Writing Book. He has been working incredibly hard, writing lots of pages and has really improved his handwriting. Wow! Fantastic work CJ, we are all very proud of you.

Attendance Award

This week the class with the best attendance was **Year 6 with 97%**. They win the attendance trophy this week . Regular attendance at school gives you the best possible start in life. Keep up the good work!

Showing a Growth Mindset

This week these children demonstrated the important characteristics of a Growth Mindset in their classes. They were rewarded with a green Growth Mindset wrist band. Congratulations to each of them.

I can, You can, We can... Achieve.
