### Parents Maths Workshop TUESDAY 27<sup>th</sup> FEBRUARY

**Key Stage 1 – 2:00 – 2:40 (with a question and answer session from 2:40 – 3:00)**

**Key Stage 2 – 2:50 – 3:20 (with a question and answer session from 3.20-3.40).**

As with our other events, please feel free to take your child from the infant workshop over to the juniors with you for their workshop. You should still be able to see both sessions and access a Q&A session.

We really hope you can join your child. If you are unable to come, please can you ask another adult family member to join your child.

We look forward to seeing you there,

Maths Team 😊

## Don't judge a book by it's cover events!

Reminder: all children can come dressed as a book character or in their PJS ready for the bedtime story event. (please make sure they have a warm jumper/leggings under their outfits as the spring still doesn't seem to have arrived and it is cold at lunchtimes). Please bring a donation that will go towards our library.

World book day will start with two class assemblies, followed by lots of bookish fun in classes. Watch our twitter feed to see what we are up to **#worldbookdayKFP**.

Our 'Friends of Kestrels' are hosting their first event- an after school bedtime story event. Tickets are being sold on school money and these will be given to children in the register baskets once you have purchased them. Your ticket allows your child entry into this event and they will receive a mystery book wrapped up for you to take away and enjoy together! We **#lovetoread** at Kestrels', so are VERY excited about World Book day and all that we have in store!!

## Learning Outdoors in Early Years

### We need your help!

As part of the Early Year's curriculum, it is important children have the opportunity to learn in an outdoor environment. It provides a place in which children can play, explore and learn in a safe, caring and supportive space. We have already began our journey to developing our outdoor environment and we want to continue to make it the best learning space for our children. We are asking for any help from parents in collecting some resources. If you have, any natural resources that you can donate to school to help us achieve our aim we would be very appreciative. We will welcome any of the following items; logs, crates, pipes, baskets, pots, pans, planks, tubing, cable drums, stones, pebbles, material etc.

If you can help in any way, please contact Mrs. Goulding or any of the other EYFS team ©

It is not too late to have a book declutter and donate them to our event. Boxes to put them in are located in each school entrance area. **#compassion** dojo point for every child that pops something in!
