## Old Sarum Primary School

# Newsletter

**Friday 23rd February 2018**

### Welcome Back

Welcome back to the new term, we hope you all had a restful break.

### World Book Day 2018

On Tuesday 27th February we are holding our book day. During the day children and adults at the school are also invited to dress up as their favourite book character and prizes will be given in the end of day assembly for the best costume. We would also like all children to bring a favourite book in for the day which they will show in class and will use to contribute a whole school artwork. The whole day will have a book and dragon theme and classes will be working on a writing task related to this which they will share in the end of day assembly.

### Scholastic Book Club

Our new Scholastic Book Club is up and running! Go to <http://schools.scholastic.co.uk/old-sarum> to browse the latest books and order online. Please place your order online by March 8th, 2018.

### Year 3/4 Gymnastics Workshop/ Festival

On Wednesday Year 3 and 4 were visited by Lindsay Broomfield, from Youth Sport Education, who led a gymnastics workshop. Both classes were taught how to perform simple routines which some of the children performed at the Gymnastics Festival on Thursday at St. Edmund's Girls' School. They represented the school brilliantly.

### Year 1 and 5 Salisbury Cathedral Trip—The Beauty and Power of Mathematics

This week, Year 1 and Year 5 visited Salisbury Cathedral for Mathematics workshops. These stimulating days focused on developing mathematical vocabulary, reasoning and problem-solving skills. Pupils took part in a selection of active and engaging workshops creating a sense of curiosity and wonder to inspire engineers of the future. Staff at the Cathedral praised our children's knowledge of mathematics and their excellent behaviour.

### Achievement for All

Old Sarum Primary school is taking part in a programme that will support us in improving learning and progress. The school is joining other schools and pupils across the country that are part of the Achievement for All programme. Initially, we are starting out with a small group of pupils and families with the opportunity to work with others in the future.

### After School Clubs—Sporting

Children who take part in a sporting after school club are required to change before this club into either their PE kit or into something they have brought with them into school for that particular club. To ensure the children get the most out of their club we encourage them to change as quickly as possible before but we also don't expect them to change at the end of the club. The children should therefore be coming home with their school uniform in a bag ready for the next day.

### Second Hand Uniform Sale

We are pleased to inform you that the second hand uniform sale held at school on Tuesday this week raised an amazing £33:25 for the school PTA. Thank you to the wonderful Mrs Wilkinson for co-ordinating and selling the uniform. If anyone has anything they would like to donate to the next one please drop items off at the office.

### Uniform and Coats

Please can all parents check school uniform and coats to ensure your child hasn't come home by mistake with someone else's property. Also can all uniform and coats please be clearly labelled to help with items not mistakenly going home with the wrong child.

### Parking around school

When parking at school drop off and pick up times please be respectful of local residents and park appropriately. Please do not park on corners or block driveways. We have the new drop off zone at the rear of the school which we would encourage parents/carers to please use as there is plenty of space to park safely. Our local community police officer will be visiting the school at the beginning and end of the day over the next two weeks.

### Important dates...

Tues 27th Feb	World Book Day
Wed 28th Feb	Year 5/6 Tag Rugby
Mon 5th March	Year 2 Fundamentals
