Faith in Ourselves, Hope for the Future, Love for Each Other Newsletter – 23rd February 2018

Dear Parents / Carers

The children have returned to school this week fully rested and ready to start the second half of our school year. They enjoyed a wonderful worship on Wednesday on the topic of lent led by Rev. Sue which contained a lovely child friendly explanation of the season and its origins and also contained chocolate and magic!

Just when we thought that spring might be on its way, it seems that the weather is going to get colder again next week. Could you please ensure that your child brings a coat to school as we are often outside during the school day.

Kind regards,

Mrs Karen Williams

Head Teacher

Ten Y5 and Y6 girls went to South Milford for a football tournament against other schools in our cluster. They didn't make it to the final but they all played exceptionally well, showed determination,

perseverance and a fantastic team spirit.

"We had really fun games. Everyone worked well as a team. We played 3 matches and had a fantastic time." Jasmine
"Everyone was so supportive and optimistic."

E-Safety

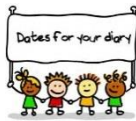

Parental Controls

It was great to hear that so many parents already use parental controls on all internet enabled devices used by their children. BT, Sky, Talk Talk and Virgin Media all provide free parental controls to their customers which can be activated at any time. Take a look on your internet provider's website here:
<https://www.saferinternet.org.uk/advice-centre/parents-and-carers/parental-controls-offered-your-home-internet-provider>

When you are out and about, look for the Government backed friendly wifi symbol.

This lets you know that the wifi hotspot you are connecting to meets minimum filtering standards so you know your child is safe online even when they are not at home.
