Parent Handwriting Workshop

Dear Parents/Carers,

As you will be aware, we are working with children to raise standards of presentation in their work, with a particular focus on handwriting. This year we have introduced a new Handwriting Policy focusing on the introduction of a cursive style from Years 1 to 6, with Reception children using a pre-cursive style.

I will be holding a Parent Handwriting Workshop on **Wednesday 1st November at 6:00pm** in the Hall, to introduce and explain our approach to handwriting, the Letter-join handwriting scheme and how you may support your child at home.

In the meantime, children wishing to practise their handwriting can now log in to the Letter-join website at home on iPads and tablets as well as desktop and laptop computers. There, you will find the same, easy-to-use handwriting resources as we use at school.

Once logged-in, you and your child will be able to watch how to form all the letters of the alphabet using the same style that we use at school. Children can then trace over the letters and words on their tablet and print out the worksheets from their PC for real handwriting practice.

Please note that we are limited to the number of users who can log in to this account, so we request that you only log in with this username and password/swipe code for your own personal use.

If you have any questions about our policy or the use of the Letter-join website, please feel free to raise them during our meeting.

I look forward to seeing you there.

Regards,

Caroline Bennett
Deputy Headteacher and English Subject Leader
