

**Chorus:**

G B- C D  
Coz I can stand up, speak out, beat the bully be whoever I want.  
You got to stand up, speak out if you really want to make them stop  
You can make the bully stop!  
You should see the friends we've got!

**Bridge:**

C+ D  
If I have some advice to give ya  
C+ D  
It's much better with your friends with ya  
C+ D  
There's nothing that you can't do -ya  
C+ D  
With friends that stand beside ya  
C+ D  
And you can't bully me, you can't bully me

**Chorus:**

G B- C D  
Coz I can stand up, speak out, beat the bully be whoever I want.  
You got to stand up, speak out if you really want to make them stop  
You can make the bully stop!  
You should see the friends we've got!

G B- C D  
Coz I can stand up, speak out, beat the bully be whoever I want.  
You got to stand up, speak out if you really want to make them stop  
You can make the bully stop!  
You should see the friends we've got!
