

Hi my name is Sue Smith. I have been part of the EPPS team for over fifteen years. It was an amazing feeling to have been part of the team which was successful in gaining a good from Ofsted.

My HLTA role this year is to support years 4 and 5. I mainly work with small groups giving additional pupil support in literacy with grammar and spellings.

I have two children both in their 20's. We enjoy holidaying together as a family. I relax by reading, or visiting the Suffolk coast and countryside.

My email address is ssmith@elparkprimary.co.uk
