<p>1. Key priorities – Reading, - Book buddies are good and we all enjoy it, except when you juggle two buddies, a comment from an older pupil who is trying to be a buddy for two younger pupils.</p> <p>Enjoyed doing the display for World Book Day, being able to share our favourite books with others was good and the outcome is really effective.</p> <p>We have come to the conclusion that reading does inform our written work and we enjoy reading. When our teachers talk about the punctuation they want us to use we can spot it in our reading.</p> <p>Growth Mindset, - helps us day to day in all that we do, makes us calm down, it boosts my confidence when I remember that I may not be able to do it yet but I will be able to do it at some point.</p> <p>Communication, - communication with other schools is good through CB23 and SSCO competitions.</p> <p>Is there ever a possibility of pupils being sent the emails texts with school information on it as some of the parents don't always pass on the information to their children? This was a request from a KS2 pupil.</p> <p>2. Food for Life</p> <p>This is a new initiative for our school and it involves how we promote food and eating throughout the school and in the curriculum. Schools can achieve Bronze, Silver or Gold and the opinions of pupils within the school are valued.</p> <p>So, how are school dinners a term and a half into the school year? School dinners are good and we all enjoy them. Comment from a Yr 6; Occasionally can get seconds which the year 5/6 love.</p> <p>Pick n Mix not as popular as it was – this could be weather related and to make a clear decision on its popularity we need to wait until summer to see if the warm weather brings a change.</p> <p>3. Website update</p> <p>Charlie, Emma and Jake will write something new to update the content.</p> <p>Have a photo taken of the children opening and using the new gym equipment.</p> <p>4. Golden Table</p> <p>KS1 Like the idea, make an effort to get a chance to be on the Golden Table. However, when you choose a friend it can be quite exclusive and makes some controversy amongst your friendship group.</p> <p>Really only favourable with the KS1 pupils. It might be a good idea to take it to the classes to vote.</p> <p>5. AOB</p> <p>Coats during lunchtime? Do we always need to wear them?</p> <p>Water only to drink at lunchtime? Do we know why the flavoured drinks were not continued?</p> <p>Will year 6 still be able to sit outside at lunchtime in the summer?</p> <p>Due to tray size there are less on the table and this causes some friendship issues, within KS2 is there a solution to this problem?</p>
