

Nursery 3 Home/School Learning Plan

These are the things we will be learning about this Spring Half Term. Please help me at home.

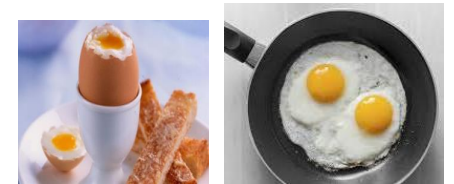

We are going to have some hatching chicks in Nursery. We will watch how they grow.

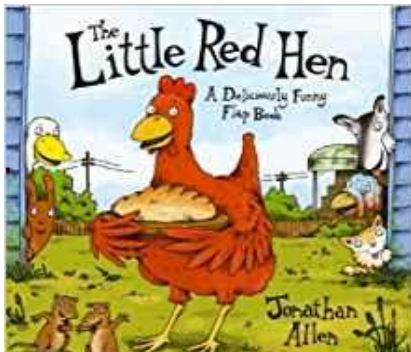

We will be talking about our families and special times together.

We will be looking at eggs and finding out what happens when we cook them.

We will be listening to stories and talking about the different places and characters in them.

Eggs

We will be looking at colours and mixing paint to make different colours.

We will be counting amounts and using our fingers and marks on paper to show how many.
