## **1 General Principle**

This no smoking policy seeks to guarantee a healthy working and learning environment for all the school's users by eliminating the risks of passive smoking and promoting non-smoking as a positive, adult role model.

## **2 Restrictions on Smoking**

Smoking of is not allowed on any part of the school premises. This includes e cigarettes / vapour cigarettes.

This applies whether or not children are present and regardless of the time of day or type of function taking place at the school.

## **3 Visitors**

The no smoking policy applies to ALL persons visiting the school including parents, suppliers, peripatetic and temporary staff, supply teachers, contractors and governors.
