Tuesday 27th February 2018

Dear Parents, Carers and Children,

We are very pleased to have now received official notification following our recent OFSTED inspection on February 1st 2018 that Ridgeway Infant School **continues to be a good school**.

I have enclosed the published OFSTED report for you to read. It is a tremendous achievement and a true tribute to the hard work, teamwork and care shown by all members of the Ridgeway community including our staff, parents and carers, Governors, children and volunteers.

As you know your views and those of your children are always really important to us and they really helped the inspector to understand a little more about our school. So, thank you for your time and comments if you were able to complete one of the questionnaires or if you were able to speak to the inspector on the morning of her visit.

Thank you again for your continued support.

Yours sincerely,

Mrs C Gray
