

Master Groesome was a

Nasty old grumpy man with long unusual smelly hair with and elephant like ears that could had could hear like a dog.

types

Master Groesome hated kids having gun, children, christmas, and birthdays and all the so types of salad and vegetables.

bugies

But he loves boogys boogys, sick, worms and all the things that are horrible.

He snarled and growled and ate as much worms as he could but his favorite thing to do was poo on the mail man out of his window.

The people were horrored of Master Groesome because there parents always said "if you dont do your homework then Master Groesome will rip your hair off and put worms in your head while you sleeping."

Billy! This is amazingly disgusting!

Where does he live?
