

Mr Mean was a dirty, mean, tramp with short, curly hair. Slimy hair and a nose with just a tiny bit of snot to make soup. He was a lazy, old fart who hated water, people and sweets. What he liked was blood, toilets that haven't been cleaned for a few years, and sick.

He grumbled and spat and ate as much of his own snot (and other people's) as possible. The people of Lilliput were spooked of him and mothers threatened their children with him. "Do your maths or Mr Mean will eat your xbox and bin all sweets of the world."

Fantastic (and disgusting) description sumner!
