**Spring is here!!!!**

Believe it or not, Spring is almost upon us. As we hopefully say goodbye to the snow for this year, thank you to Mr Kaye for keeping the entrances to school and the playgrounds clear of snow and ice, keeping us all safe and sound. A huge thank you to all the staff who had a treacherous journey to work this week but made it in. 92 schools closed but Copley and New Road stayed open.

If we do have anymore snow next week, please remember to send the children with wellingtons and warm coats if they want to enjoy the snow outside. It is important to let us know if your child/children are not in school. On these occasions it would really help if you could phone or email to let us know—we appreciate the phone lines will be busy but any of the email addresses at the top can be used to inform us.

### Copley Old School Celebration Event

As we are moving closer to the big move to new building, we are planning a special event to mark the closure of the old building. I would like as many parents as possible to be involved in a task group, involving governors, staff, pupils and parents.

If you have some free time on Friday 9<sup>th</sup> March at 2.30pm. please come along to the first of our meetings to plan the special day. We will be finished by 3.30pm so you can collect the children as normal. We need as many ideas as possible to make this day one to remember for all the children, staff and local members of Copley community.

### Keith Comes to Visit

The children may have told you we had a special visitor in school this week. After his recent illness, it was just so lovely to see Keith back in school for a quick visit on Tuesday. It was like having a celebrity in school for the day. I know he has been overwhelmed with the cards and gifts the Copley families and staff and FOCSA have given him. We wish him a speedy full recovery and hope to see him again in school in the near future. Thank you for all your kind thoughts and well wishes for him.
